There are also special courses for juniors in the summer holidays.

Adult beginners courses are held regularly; and individual and group coaching, at all levels, can also be arranged.

2008/2009

Anyone for tennis ?

Cotham Park is a friendly tennis club that welcomes players of all ages and standards. We have four floodlit all-weather courts (two polymeric, two artificial red clay) and a bounce-back practice wall, plus access to three courts (two floodlit) at Redland High School for Girls.

If you're a beginner, or want to improve your game, excellent coaching is available for children and adults, individually and in groups.

If you want to play competitively, we have a singles evening and we run a number of teams—women's, men's and mixed—that play in local leagues all the year round. We also enter teams in the National Club League.

And if you just want to play for fun, that's fine too; you'll find plenty of other members who feel the same way.

We do hope you'll join us—or rejoin—for the 2008/2009 season.

Any questions?

Q. When can I play?

A. Broadly speaking, as a Full Member you can play whenever you want—though, at certain times, courts are allocated for specific uses. Other members should see the detailed schedule on the notice-board for playing times. Courts are bookable at certain times—see the booking sheets in the clubhouse.

Q. What about Club Play?

A. There are Club Play sessions throughout the week, both during the day and in the evening. At these times, doubles—preferably mixed—takes priority, and we use a 'name on the blackboard' system to ensure that everyone gets to play. For new members, it's the perfect opportunity to meet others, and start to get involved in the club.

Q. Any rules I need to know about?

A. They're on the notice-board and in the Rules and Guidelines leaflet. A few worth mentioning:

- To avoid damaging the courts, you must wear proper tennis shoes; otherwise the dress code is fairly relaxed.
- Balls are provided at all times, but only three for each court. Please put them back in the tray when you've finished.
- Junior members.

To comply with club rules and LTA guidelines, and for their own safety, junior members MUST be accompanied and supervised by an authorised adult (parent or guardian) at all times when they are on and off court. Junior members between the ages of 14 and 18 years may play without supervision only if we receive written permission from a parent or guardian.
